

## PRODUCT SPEC PAGE

### Collection Name

**Driftwood**

The Driftwood collection was inspired by stories of lost voyages, misty seas and passionate explorers. Shades of ocean greys, blacks and whites combine to create a bespoke colour range reminiscent of wood that has drifted from the far corners of the ocean, eventually stranding itself on sun baked sand and rocks. Deep, natural colour variation and a raw face texture are distinct details exclusive to the Driftwood collection available only through The Reclaimed Flooring Company. Purposefully worn, this collection encompasses a naturally weathered aesthetic representing the untamed creative spirit of the ocean. All Driftwood products display artful textures created through wire brushing techniques while still retaining a profound elegance free from ostentation. Seeking harmony with water and light Driftwood products adhere to a purity of form driven by the poetry and power of the ocean. A truly remarkable collection full of imagination, strength and enduring beauty.

### Product Name

Braided River From - £97 + VAT

### Product Information

Pattern Planks	Construction Solid / Engineered	Profile Tongue and Groove	Edge Micro Bevel	Finish Hard Wax Oil	Installation Glue and Secret Nail	Species European Oak (Quercus Robur)	Origin Top Layer: Europe / Base Layer: Russia
-------------------	------------------------------------	------------------------------	---------------------	------------------------	--------------------------------------	---	--

### Product Structure

#### Solid

Overall Thickness : 20mm  
 Length :18,5cm, 22cm, 24cm, 28cm  
 Width :0.6m-2.45m  
 Where the 80% of the batch is above 1.8m  
 Under Floor Heating :No

#### Engineered

Overall Thickness : 21mm	Overall Thickness : 16mm
Hardwood Layer :6mm	Hardwood Layer :4mm
Birch Plywood Layer :15mm	Birch Plywood Layer :12mm
Length :18,5cm, 22cm, 24cm, 28cm	Length :18,5cm, 22cm, 24cm, 28cm
Width :0.6m-2.45m	Width :0.6m-2.45m
Where the 80% of the batch is above 1.8m	Where the 80% of the batch is above 1.8m
Under Floor Heating :Yes	Under Floor Heating :Yes

### Engineered Flooring Guarantee

This manufacturing guarantee is for all of our European Engineered oak wood floors, which have been manufacturing using Water Proof Boiled Birch ply. This Guarantee is against de-lamination only which occurs in the 12 months following installation of the flooring. If de-lamination occurs during that period, The Reclaimed Flooring Company, upon inspection and verification that none of the criteria (please refer to the guarantee section in the website) in respect of non-application of the guarantee are applicable, will repair or replace the board or boards that have de-laminated. No refunds of any kind will be given.

N.B. Sizes may change at any time

# Sustainability

FSC and PEFC  
Upon Special Request

Timber Neutral  
Yes

EUTR  
Legally Harvested Timber

Formaldehyde Emission  
E1 (0.1ppm): complete compliance with  
EU safety standards

N.B. We plant 1 tree per every 10m2 you buy. Certification comes as standard.

# Grading

Grade : A-C

Maximum Open Filled Knot : 6cm

Maximum Size of Knots : 7,5cm

Filled Defects : Allowed

Sapwood : Traces Permitted

End Checks : No Longer Than Width of Board Allowed (Max 2mm Open)

Filler : 2 component solvent free filler with oak dust

Colour Variation : Allowed

Filled Crack : Allowed

N.B. The product grading criteria is an approximation. Please allow for vairants.

# Tests

Slip Testing (to BS 7976-2) : Wet: 29 / Dried: 64

European reaction to fire classification : Cfl-s1
