Mouldings

N.B. For a seamless transition, we can colour-match the selected moulding with this product.

Staircase

We offer the opportunity to customise stairs to complement or match our wood flooring.

1. Stairs and claddings are available in a variety of construction types and styles.
2. Stair material is available to match the majority of our wood floors.
3. We offer both contemporary and traditional nosing styles.
4. Stairs are either constructed using our finest engineered platforms or solid wood. Construction will vary depending on nosing types.

Guarantees

Lifetime Structural Guarantee:

The Company's warranty commitment is to provide the retail purchaser quality wood flooring that is free from structural defects in milling for the lifetime of the product, where products have been installed to our guidelines and the site conditions for temperature and humidity are met).

20-year Finish Guarantee:

The Company's products are covered under this 20 year finish warranty only when cleaned and maintained per the guidelines set forth for the product colour and coating.

In both cases please refer to the Warranty document received at the time of purchase for full guarantee details and exclusions.
